Stay dry... **MANEZE** WORKS!

- and here's how...

Managing the discomfort or embarrassment of Male incontinence is made much easier by using **MANEZE** super-absorbent pouches.

Ideal for use post-prostatectomy, 'accident' management and minor stress incontinence, the pouch features an adhesive strip allowing it to be easily and securely attached and removed from underwear.

Once in place, each pouch has the ability to keep the user 'dry' for up to a day at a time.

When full, the **MANEZE** is cleanly and simply removed, disposed of and a replacement pouch fitted.

MANEZE pouches are proven in regular use.

SAFE and
HYGIENIC

Both economical and effective, **MANEZE** Male Incontinence Management Pouches are available only from Barworth Medical Ltd at **£15.00** (+postage*) per pack of 16 pouches.

* Postage: 1 pack - £3.00; 2-6 packs - £6.00
