

PHLEBOTOMY TRAYS

Droplet Blood Collection Tray Designed with phlebotomists in mind

Lightweight, roomy and easy-to-clean Droplet™ Blood Collection Tray. Keeping a clean and organised tray has never been easier. Wash the ABS tray as needed, and replace the insert periodically for a fresh start. Tray inserts come in two configurations and include an extra-deep compartment for a sharps container.

- Lightweight, washable ABS tray
- Tray features a supply drawer, side pockets, and a ratcheting handle with soft rubber grip that rotates out of the way for easy access
- Each tray includes either a 13 mm or a 16 mm plastic insert
- Additional inserts sold in packs of 4 in two different configurations
- US Patent No. D544703

Dimensions (L x W x H) – 429 x 265 x 172mm
